

Solarious Community Guidelines

Effective Date: 04/13/2026

These Community Guidelines apply to all users interacting with Solarious platforms, including the Website, applications, Telegram, Discord, and related services.

1. Purpose

Solarious is building a blockchain ecosystem anchored in real-world energy production. These guidelines ensure a professional, constructive, and compliant environment.

2. Expected Conduct

You agree to:

- Act in good faith
- Engage respectfully with other users
- Share accurate and non-misleading information
- Follow applicable laws and regulations

3. Prohibited Behavior

You may not:

- Spread false or misleading information about Solarious
- Impersonate team members or affiliates
- Promote scams, phishing, or fraudulent activity
- Engage in harassment, hate speech, or abusive behavior
- Attempt to manipulate markets or community sentiment

4. Financial Discussions

- Solarious is not responsible for third-party financial advice

- Users must make independent decisions
- No guarantees of returns are permitted in community channels

5. Moderation

We reserve the right to:

- Remove content
- Restrict or ban users
- Report illegal activity

6. No Official Investment Advice

Statements by community members do not represent Solarious.

7. Updates

These guidelines may be updated at any time.
